BIOTECH
Venture Pathway

FREE Online Entrepreneurship Training for Academic & Professional Staff:

Are you a professor, lecturer, researcher, or part of a university's project management, communications, administration, or support services team?

This programme helps you integrate innovation into teaching, research, and operations:

- **Learn:** Promote entrepreneurial thinking, support student ventures, strengthen tech transfer, drive institutional change.
- **Outcome:** Make a measurable difference, get a Certificate of Completion.
- No prior experience needed!

Online Info Session: Wed, Sep 17th · 6:00 PM CEST.

Programme Dates: October 2025 - December 2025
